THRU: Michael Metzger, Branch Chief  
Reregistration Branch 1  
Health Effects Division (7509C)

TO: Sherrie Kinard, Chemical Review Manager  
Special Review Branch  
Special Review and Reregistration Division (7508W)

Comments were received from the registrant, Bayer CropScience (BSC) and the Natural Resources Defense Council (NRDC) following a 60-day public comment period for aldicarb. The comments received pertain to the Environmental Protection Agency's HED Revised Human Health Risk Assessment for the Reregistration Eligibility Decision Document (RED) [DP Barcode No. D331540] dated November 1, 2006.

All of the comments received by both BSC and NRDC have been previously addressed in the HED Response to Comments document dated November 1, 2006 titled "**Aldicarb** (List A Case 0140, Chemical ID No. 098301). HED Response to Comments Received During the Public Comment Period. DP Barcode No. D331538." The HED Human Health Risk Assessment will not, therefore, be revised to reflect any of the comments received during this public comment period. Both parties should refer to the above mentioned response to comments document and/or to the HED Revised Human Health Risk Assessment for more information.
